GROUP SALES

Who has more fun than people? Lots of people. Especially during a Met game at Shea Stadium.

More and more groups and organizations have discovered this perfect formula for a good time, which explains why an outing at Shea is becoming the thing to do.

It's also an ideal way to entertain business clients or company employees and the Met management takes particular pride in its handling of such large groups.

For one thing, be assured everyone in your party will be seated comfortably in the same area. Furthermore, if your group is interested in an attractive package deal, the Mets will take care of that, too.

Our beautiful Left Field Terrace, for example, is available to groups of 100 or more who wish to have a buffet luncheon or dinner before any game during the season.

We also make our intimate Combo Room bar and restaurant available to groups of 40 or more for luncheons only before weekday and Saturday afternoon games.

Groups of 100 or more will be acknowledged on our giant message-board during the game. And if your group consists of a 1,000 or more, we will gladly arrange a pre-game program at home plate.

Additional information may be obtained by writing or calling our Group Sales Dept., Shea Stadium, Flushing, N.Y. 11368 or call (212) 672-3000.
